OAKLAND ATHLETICS 1997 INFORMATION GUIDE

A's ON THE INTERNET

On August 1, 1995, the Oakland A's became the fourth major league baseball team to have an official home page on the Internet's World Wide Web. By establishing a presence on the Internet, the A's are able to provide information to A's fans not just in the Bay Area, but throughout the country and the world. The A's have also set up e-mail addresses for fan feedback, and all mail is read by A's employees, as the A's maintain their Web site in-house.

The A's Web site is divided into five main categories: Clubhouse, Press Box, Ticket Office, Merchandise and Front Office. Visitors to the site can download information about A's players such as biographies, statistics, photos and audio highlights. There is also information about the A's minor league teams, including schedules. The Press Box contains up to date statistical information, results, pitching probables, transactions, injury information, records and more. A's fans can also purchase merchandise and tickets on-line and have access to the A's latest schedule information, including promotions and television.

Fans visiting the A's Web site can also compete for prizes by playing Cyberskipper™, an interactive fantasy baseball game. Contestants earn points by predicting which players in the A's line-up will get hits, hit home runs, steal bases and more.

The address for the A's Internet Site is:

<http://www.oaklandathletics.com>

THE ATHLETICS FRANCHISE

The 1997 season marks the Athletics 30th season in Oakland and the second under new owners Stephen C. Schott and Ken Hofmann. The two land developers/home-builders purchased the franchise from the Haas family and assumed control of the club on November 1, 1995. They share a sense of commitment to the Bay Area and together they will strive to maintain the tradition of A's baseball both on and off the field.

Since the 1968 season, the franchise has now won 10 American League West division crowns, six American League pennants and four world championship. Oakland was the first team to win three consecutive American League titles since the 1976-78 New York Yankees.

The Athletics history has been spiced with color and dotted with championships. From their beginnings under Connie Mack in 1901 to Art Howe's current version, the Athletics have won a record 10 division titles, 15 American League pennants and nine World Championships. Only the New York Yankees organization can claim more World Championships.

Mack managed the A's for an incredible 50 seasons (1901-50). During his tenure he compiled the managerial record for most wins (3766). However in the process he also logged his name in books for most losses (4025). Under his reign in the dugout, the franchise won nine American League Championships and five World Championships during the Philadelphia era.

In 1951, Mack finally gave way to a new skipper, Jimmie Dykes. One of Mack's most valuable players, Dykes took over a struggling team and was unsuccessful in reversing their fortunes. After three seasons with Dykes at the reigns the team was sold to Arnold Johnson in 1954 and the franchise moved to Kansas City for the 1955 season.

In 13 seasons playing in Kansas City, the club never managed to play .500 baseball. The highest they would finish in the standings was sixth-place while compiling a 829-1222 record under ten managers. In 1968, Charlie Finley, who had entered the scene in 1960, moved the franchise to Oakland.

In 1969 the Oakland A's won 88 games, the most victories for an A's club since 1932 and it would be the fewest wins for the team over the next six years. The A's became one of the most dominant teams of the 1970's. Reggie Jackson, Joe Rudi, Rollie Fingers and Bert Campaneris formed the backbone of the clubs which won three consecutive World Championships from 1972-74. The franchise again fell on hard times in the late 70's, but was brought back to life again under the control of Walter A. Haas Jr. The Haas family owned the club from 1980-95 and the A's won three consecutive American League pennants from 1988-90, including the 1989 World Championship.

Continuing a historical trend, the Athletics franchise has again fallen on hard times following a string of championships. Bringing the franchise back to championship levels is the goal of the A's organization.

ART HOWE

MGR

Arthur Henry Howe, Jr.

1997 Opening Day Age: 50

Born: Pittsburgh, Pennsylvania, December 15, 1946

Height: 6-1 **Weight:** 200

Named as A's manager November 16, 1995

Contract Status: Second year of a three-year contract through 1998.

Art Howe returned to the managerial ranks in 1996 and guided a young, inexperienced A's team to a 78-84 record in his first season as Oakland manager.

After managing the Houston Astros to a 392-418

record over five seasons, Howe's major league managerial record now stands at 470-502.

Howe comes to the A's from the Colorado Rockies where he was the first base coach and hitting coach. His coaching career began immediately following the conclusion of his playing career. Art worked in a variety roles with the Texas Rangers from 1985-88, including both first and third base coach and hitting instructor. He managed the Houston Astros from 1989-93 and was the major league advance scout for the Los Angeles Dodgers in 1994.

Howe guided the Astros to 392 wins in his five years as manager, a total which ranks second only in franchise history to Bill Virdon's 544 in eight seasons. In his first season as manager, Houston finished third with an 86-76 record and Howe finished fourth in the BBWAA National League Manager of the Year voting. It was one of two third place finishes, with the other coming in his final season in 1993 (85-77).

The Astros began a rebuilding process in 1990 which saw Houston field the youngest team in the majors in 1991. In that season, Howe was named as a coach on Lou Piniella's staff for the All-Star Game in Toronto. By 1992, he had Houston back to the .500 level at 81-81. During his tenure in Houston, Howe oversaw the development of young players such as 1991 National League Rookie of the Year Jeff Bagwell, Craig Biggio, Ken Caminiti, Pete Harnisch and Darryl Kile.

Howe's professional baseball career began in 1971 with Salem of the Carolina League and he made his major league debut in 1974 with the Pirates. A lifetime .260 hitter in 10 big league seasons, the former infielder played in 891 games with Pittsburgh, Houston and St. Louis. He spent parts of the 1974 and 1975 seasons with the Pirates before he was traded to Houston to complete a deal for Tommy Helms following the 1975 season. Howe played for Houston from 1976-83 and had his best season as an Astro in 1981 when he led the team with a .296 average. During that season he set a Houston record that still stands with a 23-game hitting streak. He was also a member of Houston's first ever division winner in 1980, collecting a homer, 2 singles and 4 RBI in the one-game playoff at Dodger Stadium to win the title. Surgery on his left ankle and right elbow forced him to miss the entire 1983 season and he finished his playing career in St. Louis from 1984-85. Following his release by St. Louis on April 22, 1985, he joined the Texas Rangers coaching staff on May 21.

Howe's managerial experience began during his playing days in the Puerto Rican winter league. He managed at Bayamon in 1979, 1980 and 1982, earning Manager of the Year honors during the 1980 season. Following the conclusion of his playing career, he guided the Ponce club in 1985 and returned to winter ball in 1994, leading the expansion Azucareros del Este team from the Dominican Republic to the Caribbean World Series.

He was a football and baseball star at Shaler (PA) High School and attended the University of Wyoming in Laramie. While picking up his degree in Business Administration, he played for four years on the Cowboys' baseball team and had a season as a quarterback for the football team until a back injury put a halt to his gridiron career. Upon his graduation from Wyoming, Howe was employed as a computer programmer for the Westinghouse Corporation when a friend convinced him to attend a Pirates tryout camp. He eventually signed a free agent contract with the club in August, 1970, at the age of 23.

Howe and his wife, Betty, have three children, Stephanie, Gretchen and Matthew. They reside in Houston, Texas during the off season. He has been active in the community, hosting the Art Howe Pro-Celebrity Golf Tournament to benefit the Epilepsy Association of Houston/Gulf Coast.

MOHLER, cont.

bring his season mark back down to 2.36...had allowed just 2 of 17 inherited runners to score at the end of June but then allowed 17 of 29 to score the rest of the way...including 8 of 9 over an eight game span from August 13-September 3 when he was 1-2 with four blown saves and a 14.73 ERA (12 er in 7.1 ip)...went 2-3 with no saves in five chances and a 7.65 ERA over the final two months of the season...allowed a .263 opponents batting average which broke down to .263 against left handers, .264 against right handers, .263 at home and .264 on the road.

GARY WAYNE JONES

Born: Henderson, Texas, November 11, 1960

Height: 5-9

Weight: 163

Infielder in his playing career.

Gary Jones returns for his third consecutive season with the A's Triple-A affiliate in Edmonton after earning Pacific Coast League and *Baseball America* Triple-A Manager of the Year honors in 1996. Entering his eighth season overall as a manager in the A's minor league system, Jones guided the Trappers to the PCL Championship last year with a 84-58 record, the best mark in Edmonton history. Jones has also earned Manager of the Year honors at Madison of the Midwest League in 1991 and Huntsville of the Southern League in 1994. He began his minor league managerial career in Scottsdale in 1990 and sandwiched two seasons at the helm of Madison around a 1992 stint at Reno of the California League. Gary moved up to the Double-A level in 1994 and guided Huntsville to the Southern League Championship before moving on to Edmonton in 1995. He served as player-coach in Huntsville in 1989 and finished his playing career with a .275 average. Gary came to the A's organization from the Chicago Cubs along with John Cox in exchange for Bob Bathe and Phil Stephenson prior to the 1986 season. That year he hit .311, stole 34 bases and scored 116 runs. He was promoted to Tacoma for the 1987 and '88 seasons before taking his player-coach position in Huntsville. After being drafted by the Cubs in 1982, Jones began his pro career in Geneva of the New York-Penn League. He played just two games there before being promoted and finishing the season at Sarasota of the Gulf Coast League, where he hit .349 and stole 18 bases in just 29 games. From there, he spent three more years with the Cubs before being acquired by the A's. A native of Henderson, Texas, Jones was a four-sport letterman at Henderson High School. From there it was on to Paris Junior College for two years and the University of Arkansas. As a Razorback, Jones was a first-team All Southwest Conference selection.

A's ON THE AIR

BILL KING has a style of broadcasting that combines baseball knowledge with a unique ability to paint word pictures which transport radio listeners right into the action. The 1997 season marks Bill's 17th year of play-by-play for the A's. In addition to his work with the A's, Bill was also the voice of the Oakland and Los Angeles Raiders and the Golden State Warriors. He worked for the Raiders from 1966 to 1992, a span that included four Super Bowls. From 1962 through the 1982-83 season, King was the play-by-play voice of the Warriors. His background in baseball stems from his days playing semi-pro baseball as a youngster in

the Midwest, and his first play-by-play job was for a club in Pekin, Illinois in 1948. Bill makes his home in Marin County.

KEN KORACH begins his second year with the A's as a play-by-play announcer and the host of the pre-game show. He came to the A's after four years as part of the Chicago White Sox radio broadcast team. Ken was also the voice of the Pacific Coast League's Las Vegas Stars for six years. In the off season, he handles the radio and television play-by-play for the University of Nevada-Las Vegas basketball team. Ken has several ties to the Bay Area including radio for the football and basketball teams at San Jose State University from 1985-1992. He also worked as a reporter for KCBS radio. His first baseball job was

in 1984 with the Redwood Pioneers of the California League. Ken attended San Diego State University and the University of California, Santa Barbara where he graduated with a degree in social sciences in 1975. Ken and his wife Denise live in Henderson, Nevada with their daughter Emilee.

RAY FOSSE begins his 12th year as a member of the A's radio broadcast team, his ninth on A's television and his 13th in the Oakland A's front office. Fosse brings with him the ability to inject a former players point of view into game broadcasts. Ray started his playing career in 1965 with Reading of the Eastern League as a number one draft pick of the Cleveland Indians. He had his best season with the Indians in 1970 when he was winner of the Gold Glove Award, co-winner of the Man of the Year Award with Sam McDowell and catcher for the American League All-Star Game. In 1973, he was traded to the Oakland A's

where he played on two World Championship teams. Ray finished his career playing baseball with the Milwaukee Brewers in 1979. In 12 years of major league ball, he batted .256 with 61 home runs. Ray and his wife, Carol, were married April 4, 1970. They have two children, Nikki (9/24/75) and Lindsey (10/8/82). Ray and his family have been East Bay residents since 1973.

GREG PAPA returns for his eighth season as A's play-by-play man. In addition to his work with the A's, Papa also handles play-by-play for the Golden State Warriors Television Network. He has been with the Warriors since the 1986-87 season. Before coming to the Bay Area, Papa spent two years as an announcer/analyst for the Indiana Pacers 55-station radio network. He has also done occasional work for NBC, ABC and ESPN. He is a graduate of Syracuse University's Newhouse School of Broadcasting. Papa resides in Danville with his wife, Angela, and their children, Derek, Alexandra and Danielle.

KEN WILSON is in his second season as the play-by-play broadcaster at KRON. The 23-year veteran of sports broadcasting joined the A's after spending five seasons as the television voice of the California Angels from 1991-95. Wilson broadcasted the first six seasons of Seattle Mariners baseball from 1977-82, and did the play-by-play for the Cincinnati Reds from 1983-85. He also spent five seasons behind the microphone with the St. Louis Cardinals (1985-90). In addition to his baseball duties, Wilson works as the radio and television voice of the St. Louis Blues hockey team and has won four straight Mid-America

Emmy awards for his play-by-play with the Blues. Wilson is a graduate of the University of Michigan. Ken and his wife, Marlene, have two sons, Ryan and Grant.

THE A's ELEPHANT

Prior to the 1988 season the A's brought back one of the team's most familiar and successful characters from past years—the Athletics' Elephant. After two seasons featuring a more aggressive elephant holding two crossed bats in its trunk, the old A's Elephant, which brought the A's three straight American League titles from 1988-90 and a World Championship in 1989, returned in 1995. The A's Elephant has been featured in many of the club's promotions and publications. Also, each player wears a special A's Elephant patch on the left sleeve of their uniform.

For 60 years the Athletic Elephant was one of the most popular and colorful logos in all of major league baseball. In 1901 Connie Mack and his Philadelphia Athletics helped form the American League. The following year, New York Giants Manager John McGraw dismissed the A's with contempt, calling them "The White Elephants," implying Mack shouldn't be allowed to spend money without supervision. Mack defiantly adopted the White Elephant as the team insignia, and in 1902, the A's won the American League pennant.

The White Elephant remained the team's mascot until later that decade, when it finally made its way to an A's uniform. Its first appearance was on the team's sweaters. In about 1918, the Elephant finally saw game action when Mack had the pachyderm symbol (in blue with a white "A" inside) placed on the left sleeve of every player.

By 1920, Mack had fully adopted the A's Elephant as the team's symbol. Gone was the traditional "A" on the front of the jersey. In was a blue elephant logo. But after a few poor seasons, Mack decided a change was in order. So, in 1924, the blue elephant was replaced by the white elephant on the team's jersey. The new-look pachyderm seemed to do the trick, as the A's played better ball for the next few years.

In 1928, Mack decided the elephant had worn out its brief welcome on the A's jersey fronts. He replaced it with the familiar "A" on the uniforms, and the A's went on to win two World Championships and an AL crown in the next three years. This resurgence was probably due more to the additions of Foxx, Simmons, Grove, Cochrane, et al., than to the elephant's absence.

That was the last year for the elephant on the A's uniform until 1955, when the A's, now in Kansas City, added an elephant patch to their left sleeves. But when Charlie Finley purchased the team in the early sixties, the elephant mascot was once again sent packing, replaced by, of all animals, a mule. This was the last we saw of this loveable A's mascot until 1988.

The elephant has once again proven to be a "good luck" charm for the A's, as since its return the Athletics have won three American League pennants and one world championship.
